**Boy Scout and Club Fun day Update!!!!**

**We Had a fantastic turnout for the Boy Scout day at the Rams Field this weekend. We were able to get all the Boy Scouts in the air Saturday night to beat the incoming wind and weather. It was a good thing as the wind by noon on Sunday was too much for the trainers. Thanks to Chico and Jeff Sharpe for offering up their personal planes so the Boy Scouts could continue to fly. They all had a fantastic time and were so thankful to the ram's club and members for letting them stay and fly. Huge thanks to Tommy Cheek, all volunteers, and flight demo pilots, And the beautiful volunteers who cooked for the boy scouts for organizing and working a momentous event for this cause.**
