### **Old Business**

Tommy Cheek said that he might be able to get the industrial Roller again for free. Tommy also offered to use his tractor to spread it out. It was approved to at least try this type of road rock this one time.

### **New Business**

Ken Blackford spoke about the Swap Meet in that himself and Rod really want to hang onto the Annex Building venue, stating that they are trying to secure a date for 2022. Ken went on to stress that the Annex Building would allow us to grow more than double in size and that since the Burlington meet is no more and the exception of the Lexington event, we truly are the only one around. It was asked if the club would still like to host a Swap Meet this year at Adam Millers shop in November. The answer was yes. Ken said that he would proceed and plan for a November event.

It was reported that George Welcome will not be able to work and run the Heli Deli like he once thought he could. Howard said that any ideas would be welcome.

The 50/50 was won by the George Shrek who netted \$47.00 with \$47.00 going to the club.

The meeting was adjourned at 7:25 pm.
