New Business:

Club Mower: The Club mower has blown its engine and the club felt it was too old and worn out to fix. The mower is 6-years old with a tremendous number of hours. The oil maintenance had been performed regularly. Mike suggested a Silent Auction to all Club Members who may be interested in purchasing the mower for whatever reason and removing it from the field. A motion was made by Butch Pendergrass to move forward with the Auction, 2nd by Ron Melaga. The motion was a unanimous vote. A separate email will come out soon on how the Auction will work.
