Old Business:

No discussion

New Business:

John Titus suggested we look into Bluetooth audio system.
The audio is too loud near the shelter and not loud enough at the ends of the flight line. A suggestion of bluetooth or wifi speakers on portable stands would solve this. **John Welcome** is checking into the cost and present it at the next meeting.

Howard Bass had one of our CD's ask if we could look into the cost for a mobile card reader such as a PayPal card reader. We had 7 visitors that enter the Dragon Fly event paying with credit card going through web site.

John Welcome brought up we may need to look into the parking situation. With the high attendance we have at our events, we are running out of parking space. It was suggested that cars by spectators/visitors and non-pilots park near the entrance gate to reserve space for pilots and campers near the flight line.

50/50 Raffle:

50/50 Raffle not done.

Adjournment :

There being no further business to discuss, **John Titus** motioned to adjourn the meeting. It was seconded by **John Welcome** and passed unanimously at **7:25 PM**.
